Review and Future Direction of the IT Organization

— IT Department Meeting

Today's Agenda

1. A 5-Year Recap

(Looking Back)

2. Future Direction

(What's Next)

We will pause for feedback after each section.

Looking Back: 5-Year Journey

Discussion: Looking Back

That's the five-year story.

Does anything stand out to you, or do you have any feedback on how things went?

What's Next: Towards a Global IT Organization

1. Global Skill Standardization

Candidate:

SFIA9

2. Global IT Career Ladder

Connecting Skill to:

Compensation

Your Input Needed: Shaping the Future

As we move forward on Standardization and Career Ladders:

To make these initiatives effective, what kind of roles or goal settings do you think would be necessary?

Looking forward to your input. Thank you.
